

**Aimee has learned to tell her teacher what she wants – she's found her voice.**

**For Aimee, this is a huge achievement.**

At East Park we work to help our young people achieve what others have said is impossible.

Help us to continue achieving the impossible. After you have taken care of your loved ones, leave us a gift in your will. Talk to your solicitor today. You will be achieving something marvellous – making sure that children in the future, like Aimee, find their voice and more.
