☑ The latest issue of the National Library of Scotland's magazine, **Discover NLS**, is now available, featuring cover star **Sean Connery**, who was guest of honour at the Imprintit exhibition preview event for donors. Inside, you can read curator Graham Hogg's take on the exhibition, along with an extract from Antony Kamm's book *Scottish Printed Books 1508-2008*, and other news stories and features.

You can find *Discover NLS* on the NLS website as a pdf file, or email discover@nls.uk to receive a paper copy. For more information, to see the latest edition, or browse back numbers, see the [Discover webpage](#).
