This **Friday, 22 August** there will be a guided tour of the exhibition by one of its curators, **Graham Hogg**, starting at 2pm.

Graham says, 'This will be a chance for visitors to find out more about individual exhibits and why they were specifically selected for the exhibition, and to learn about the process of how the exhibition came together.'

If you can't make the 22 August, he will also be doing tours of the exhibition on **Doors Open Day** on **27 September**.

Like all events at NLS, the tour is free but places are limited so do book in advance, by calling 0131 623 4675 or emailing [events@nls.uk](mailto:events@nls.uk).
