Contract :

In the absence of such notification the Purchaser shall be under no obligation to vary the arrangements for payment of the Price or for handling invoices.

4. Change to contract requirements

- 4.1 The Purchaser may order any variation to any quantity or specification of the Goods that for any other reason shall in the Purchaser's opinion be desirable. - 5.1 The Purchaser gives no warranty or representation as to the condition of the Premises or available means of access thereto. The Supplier has been afforded the opportunity to inspect the physical and other conditions of, over, under or affecting the Premises and its surroundings and all existing structures thereon (to the extent relevant to the supply of the Goods) and shall be deemed to have fully acquainted himself with the same and to have obtained all necessary information as to risks, contingencies and all other circumstances which may influence or affect the provision of the Goods. The Purchaser shall, at the request of the Supplier, grant such access as may be reasonable for this purpose.
- 5.2 The Supplier shall not be entitled to any addition to the Price or any relief from its obligations under this Contract or to make a claim in delict or otherwise by reason of any failure on the part of the Supplier to discover or foresee any such condition, risk, contingency or circumstance referred to in Condition 5.1, or of any information provided or statement made by or on behalf of the Purchaser in respect of any such condition, service, risk, contingency or circumstance.

In carrying out the Contract the Supplier shall be acting as principal and not as the agent of the Purchaser. Accordingly:
- (a) the Supplier shall not (and shall procure that his agents and servants do not) say or do anything that might lead any other person to believe that the Supplier is acting as the agent of the Purchaser, and
 - (b) nothing in this Contract shall impose any liability on the Purchaser in respect of any liability incurred by the Supplier to any other person but this shall not be taken to exclude or limit any liability of the Purchaser to the Supplier that may arise by virtue of either a breach of this Contract or any negligence on the part of the Purchaser, or the Purchaser's staff or agents.
- 6.2 The Supplier shall indemnify the Purchaser against any actions, suits, claims, demands, losses, charges, costs and expenses that it may suffer or incur as a result of or in connection with any partnership, joint venture or agency that is purported to have been created by the Supplier's acts or omissions.

Contract :

- 7.1 The Supplier shall take the steps reasonably required by the Purchaser to prevent unauthorised persons being admitted to the Premises. If the Purchaser gives the Supplier notice that any person is not to be admitted to or is to be removed from the Premises or is not to become involved in or is to be removed from involvement in the performance of the Contract, the Supplier shall take all reasonable steps to comply with such notice and if required by the Purchaser the Supplier shall replace any person removed under this Condition with another suitably qualified person and procure that any security pass issued to the person removed is surrendered. The giving of such notice by the Purchaser to the Supplier as aforesaid shall not entitle the Supplier to delay, suspend, terminate or withhold the performance of any of its obligations in terms of the Contract and it shall remain bound to timeously implement its obligations in full, whether or not it complies with the terms of the said notice or otherwise.
- 7.2 If and when instructed by the Purchaser, the Supplier shall give to the Purchaser a list of names and addresses of all persons who will attend the Premises for the purpose of supplying the Goods, specifying the capacities in which they are so concerned, and giving such other particulars and evidence of identity and other supporting evidence as the Purchaser may reasonably require.
- 7.3 The decision of the Purchaser shall be final and conclusive as to whether any person is to be admitted to or is to be removed from the Premises or is not to become involved in or is to be removed from involvement in the performance of the Supplier's obligations under the Contract and as to whether the Supplier has furnished the information or taken the steps required of the Supplier by this Condition.
- 7.4 The Supplier shall bear the cost of any notice, instruction or decision of the Purchaser under this Condition.

8. Delivery

- 8.1 The Supplier shall make no delivery of materials, plant or other things, nor commence any work on the Premises without obtaining the Purchaser's prior consent. The Supplier shall make delivery at a time agreed between the Supplier and Purchaser.

- 8.3 The time of delivery of the Goods shall be of the essence. Should it appear to the Purchaser that the Supplier is not proceeding with sufficient expedition to ensure the delivery of the Goods by the time stipulated in the Purchase Order or Form of Agreement or that such time has already expired, the Purchaser may give the Supplier 5 days written notice to make good such default.
- 8.4 Should the Supplier fail to comply with a notice under Condition 8.3 the Purchaser may then at the expense of the Supplier and without prejudice to any other rights: -
- (a) determine the Supplier's engagement under the Contract pursuant to Condition 21.2 in all respects as if the Supplier had failed to rectify a breach notified to him pursuant to that Condition; or
 - (b) take the Goods to be supplied by the Supplier wholly or in part out of the Supplier's hands; or
 - (c) make such modifications, substitutions or additions to this Contract as the Purchaser considers necessary to ensure the satisfactory execution thereof,

and in all of the events described at (a) to (c) above the Supplier shall indemnify the Purchaser in respect of any actions, suits, claims, demands, losses, charges, costs and expenses which the Purchaser may suffer or incur as a result of or in connection with such late performance, including but not limited to any additional expense that may be incurred by the Purchaser in obtaining substitute goods or services from a third party.

9. Access

Contract :

- 9.1 Where any access to the Premises is necessary in connection with delivery or installation the Supplier shall, and shall procure that its sub-contractors shall, at all times comply with the reasonable requirements of the Purchaser's Head of Security.
- 9.2 Access to the Premises shall not be exclusive to the Supplier. Without prejudice to the provisions of Condition 5.1, the Supplier acknowledges that it may be afforded only such access as shall enable the Supplier to deliver the Goods concurrently with the execution of work or delivery of goods by others. The Supplier shall co-operate with such others as the Purchaser may reasonably require.
- 9.3 The Purchaser shall have the power at any time during the delivery of the Goods to order in writing or verbally (provided that following a verbal order, the Purchaser shall confirm such order in writing as soon as reasonably practicable thereafter):
- (a) the removal from the Premises of any materials which in the opinion of the Purchaser are either hazardous, noxious or not in accordance with the Contract;
 - (b) the substitution of proper and suitable materials;
 - (c) the removal and proper re-execution notwithstanding any previous test thereof or interim payment therefor of any work which, in respect of material or workmanship, is not in the opinion of the Purchaser in accordance with the Contract.

The Supplier shall comply forthwith with the terms of any such order.

- 9.4 On completion of the delivery of the Goods the Supplier shall remove the Supplier's plant, equipment and unused materials and shall clear away from the Premises all rubbish arising out of the delivery of the Goods and leave the Premises in a neat and tidy condition.

10. Property and risk

Unless otherwise agreed in writing, the risk in any Goods to be supplied pursuant to the Contract shall remain with the Supplier until delivery has been effected in accordance with the Contract. The title in the Goods shall pass to the Purchaser upon the earlier of:

- (a) payment being made by the Purchaser in respect of the Goods (or, where payment is to be made in instalments, payment of the first instalment being made by the Purchaser in respect of the Goods); and
- (b) delivery of the Goods,

and shall thereafter remain the absolute property of the Purchaser. The Supplier shall mark any Goods in which title has so passed in such a way as to clearly identify them as being the property of the Purchaser. The Supplier shall not agree any retention of title provision affecting the Goods in contracts with sub-suppliers.

11. Damage in transit

On dispatch of any consignment of the Goods the Supplier shall send to the Purchaser at the address for delivery of the Goods an advice note specifying the means of transport, the place and date of dispatch, the number of packages and their weight and volume. The Supplier shall free of charge and as quickly as possible either repair or replace (as the Purchaser shall elect) such of the Goods as may either be damaged in transit or having been placed in transit fail to be delivered to the Purchaser provided that:

12. Inspection, rejection and guarantee

- 12.1 The Supplier shall permit the Purchaser or the Purchaser's authorised representatives to make any inspections or tests of the Goods (including work-in-progress outwith the Premises) that the Purchaser may reasonably require and the Supplier shall afford all reasonable facilities and assistance free of charge at the Supplier's premises. No failure to make complaint at the time of such inspection or tests and no approval given during or after such tests or inspections shall constitute a waiver by the Purchaser of any rights or remedies in respect of the Goods.

Contract :

- 12.2 The Purchaser may by written notice to the Supplier reject any of the Goods which fail to meet the requirements specified in the Contract. Such notice shall be given within a reasonable time after delivery to the Purchaser of Goods. If the Purchaser shall reject any of the Goods pursuant to this Condition the Purchaser shall be entitled (without prejudice to his other rights and remedies) either:
- (a) to have the Goods concerned as quickly as possible either rectified by the Supplier or (as the Purchaser shall elect) replaced or re-performed by the Supplier with Goods which comply in all respects with the requirements specified herein; or

- 12.3 The guarantee period applicable to any Goods supplied under this Contract shall be 12 months from the putting into service or 18 months from delivery of the Goods, whichever shall occur earliest (subject to any alternative guarantee arrangements agreed in writing between the Purchaser and the Supplier). If the Purchaser shall within such guarantee period or within 30 days thereafter give notice in writing to the Supplier of any defect in any of the Goods as may have arisen during such guarantee period under proper and normal use the Supplier shall (without prejudice to any other rights and remedies which the Purchaser may have) as quickly as possible remedy such defects (whether by repair or replacement as the Purchaser shall elect) without cost to the Purchaser.
- 12.4 Any Goods rejected or returned by the Purchaser as described in Conditions 12.2 or 12.3 shall be returned to the Supplier at the Supplier's risk and expense.

- 13.2 All packaging materials will be considered non-returnable and will be destroyed unless the Supplier's advice note states that such materials will be charged for unless returned. The Purchaser accepts no liability in respect of the non-arrival at the Supplier's Premises of empty packages returned by the Purchaser unless the Supplier shall within ten days of receiving notice from the Purchaser that the packages have been dispatched notify the Purchaser of such non-arrival.
- 13.3 The Supplier represents and warrants that the maximum use has been made of recycled materials in the manufacture of crates, pallets, boxes, cartons, cushioning and other forms of packing, where these fulfil other packing specifications.

The Supplier hereby irrevocably assigns to the Purchaser free from encumbrance and to the fullest extent permitted by law its entire right, title and interest in and to all existing and future Intellectual Property comprised in the Purchaser Materials. If the Intellectual Property in the Purchaser Materials does not vest automatically by operation of law or under the Contract, the Supplier shall hold legal title in such Intellectual Property on trust for the Purchaser and to the Purchaser's order.

1. Protecting the environment

Suppliers to the National Library of Scotland are requested to satisfy themselves that no product will be supplied or used in the Supply of Goods to the Purchaser which will endanger the health of the consumers or others, will cause significant damage to the environment during manufacture, use, or disposal, which consumes a disproportionate amount of energy during manufacture, use, or disposal, which causes unnecessary waste because of over-packaging or because of an unusually short shelf life, or which contains materials derived from threatened species or threatened environments.

2 Late payment of invoices

Suppliers to the National Library of Scotland are requested to address complaints regarding late payment of invoices to, in the first instance, the addressee of the invoice and, in the second instance to Finance Division George IV Bridge Edinburgh EH1 1EW. Telephone 0131-623-3754. This procedure is suggested as the best practical way of ensuring problems of late payment are resolved, and is not intended to interfere with Suppliers' legal rights.
